PMD COMPANY

# DISCOVER THE ESSENCE OF OUR COMPANY.

**PMD COMPANY** is a vibrant and evolving enterprise dedicated to the assembly of scaffolding for industrial projects across Sweden. With branches in both Poland and Sweden, our teams operate under the utmost safety and quality standards. We partner with top construction firms, delivering expert and certified services for the assembly and dismantling of construction and industrial scaffolding.

**In response to the increasing demand for our services, we are seeking scaffolders and scaffolder assistants eager to join our team and acquire valuable experience on esteemed projects in Sweden.**

**PMD COMPANY is seeking dedicated scaffolders and scaffolders' assistants for exciting construction projects in Sweden. The work is centered in the Västernorrland region, primarily in Örnsköldsvik and its surroundings, focusing on significant industrial investments.**

**Scope of responsibilities:**

- ◆ **Erecting and disassembling scaffolding for industrial ventures**
- ◆ **Adhering to health and safety regulations along with quality benchmarks**
- ◆ **Collaborating with a team of fitters and a supervisor**

**JOIN OUR TEAM**

# REQUIREMENTS

## ✓ Experience:

Welcome, though not mandatory – the employer offers comprehensive training for individuals lacking experience

## ✓ Certificates:

- Individuals who possess a scaffolding construction certification and an SSG card will enjoy certain advantages.

- The employer assists in acquiring the necessary certificates

## ✓ Language proficiency:

English or Swedish is favored

## ✓ Documents:

- Travel document or identification card

- A driving license in category B will serve as a valuable asset.

- The ability to operate construction vehicles (e.g. loaders, forklifts) will be a significant asset.

# WE PROVIDE

- ✓ Legal employment in Sweden (contract aligned with Swedish regulations)
- ✓ Comprehensive training for new team members
- ✓ Competitive salary based on experience (in line with the collective agreement)
- ✓ Rotation system: 3 weeks on / 3 weeks off
- ✓ Daily allowance: SEK 290 for each day worked
- ✓ Accommodation in Örnköldsvik provided by the employer
- ✓ Insurance and healthcare coverage
- ✓ Complete assistance with formalities (coordination number, ID06, notification to Skatteverket)
- ✓ Work attire and protective gear supplied by the employer
- ✓ The employer facilitates travel arrangements to Sweden

# ADDITIONAL INSIGHTS

- ◆ Work takes place six days a week, spanning twelve hours each day.
- ◆ A one-hour break is provided during the day (unpaid).
- ◆ Before starting work, it is crucial to undergo health and safety and medical training, which will be arranged by the employer.
